This Financial Assistance Award approved by the Federal Co-Chair of the Denali Commission constitutes an obligation of federal funding.					
All changes to the award conditions are noted below.					
<b>1. Scope of Work</b>					
This amendment increases the administration funds, which are used to support Alaska Energy Authority's (AEA) direct costs of administering FY08 Denali Commission awards, by \$320,520 for a total of \$350,520. The administration funds are calculated at 3% of the total project funding for the fiscal year. In FY08, \$11,684,000 was awarded to projects administered by AEA.					
Allowable costs include direct costs of AEA personnel time devoted to and identified on their timesheets for the performance of project management of FY08 awards. Also allowed are direct project management costs such as travel, contract work, etc. as further defined in the FY08-09 MOA.					
There are no other changes to the original Financial Assistance Award, as amended.
